

Banging On A Big Bass Drum - Ian Luther

Rock chick Lucy oh so juicy  
Banging on a big bass drum  
Wannabe a groupie shaking her booty  
Banging on a big bass drum  
She's got a back stage pass  
And a cute little ass  
Banging on a big bass drum  
She loves to dance  
In her skin tight pants  
Banging on a big bass drum

Rock god Andy oh so dandy  
Banging on a big bass drum  
Thrusting his pelvis  
Just like Elvis  
Banging on a big bass drum  
Getting all the chicks  
With his fancy licks  
Banging on a big bass drum  
He's got a hot little thing now  
Plucking on his string  
Banging on a big bass drum

Yeh oh oh oh they go  
Dancing all night long  
Oh oh don't you know  
They're singing the same old song  
Singing the same old song

So he took her backstage  
And she lied about her age  
Banging on a big bass drum  
And with a flash of stocking  
And a whole lot of rocking  
Banging on a big bass drum  
Her heart went boom  
In the dressing room  
Banging on a big bass drum  
She screamed for more  
And got an encore  
Banging on a big bass drum

Yeh oh oh oh they go  
Dancing all night long  
Oh oh don't you know  
They're singing the same old song  
Singing the same old song

Banging on a big bass drum  
(repeat)

Rock chick Lucy oh so juicy  
Banging on a big bass drum  
Had a one night stand  
With a singer in a band  
Banging on a big bass drum  
And now he's gone  
But the beat goes on  
Banging on a big bass drum  
So forget about the strummer  
Go and bang the drummer

Yeh oh oh oh they go  
Dancing all night long  
Oh oh don't you know  
They're singing the same old song  
Singing the same old song

Banging on a big bass drum  
(repeat)
