

## Keeper of the Lighthouse – lyrics

The keeper of the lighthouse  
Looked out to sea  
At ships that sail an ocean  
And the birds that fly so free  
Deserted on an island  
With not a soul by his side  
He walks the empty beaches  
At the ebbing of the tide

(chrous)  
He's the loneliest man in the world  
With no one to talk to and no one to hold  
The loneliest man in the world  
And who will he turn to when the wind blows cold  
The loneliest man in the world

High up on a hill top  
In the night too warn  
Shining like a beacon  
To guide us through the storm  
But his heart is full of sadness  
And he longs to be free  
But the ships could see the lighthouse  
But they just can't hear his plea

chorus

The keeper of the lighthouse  
Looked out to sea  
At ships that sail an ocean  
And the birds that fly so free
